

Pompa Freno Radiale CNC ø19 x 20 Custom Billet Brake Master Cylinder ø19 x 20 Custom Bomba de freno CNC ø19 x 20 Custom

Specifiche tecniche : Technical details :

lavorazione dal pieno CNC

Diametro Pistone: 19 mm

Interasse: 20 mm

Tipo Leva: snodata

Viteria: acciaio zincato

Cavallotto: disassato

Misura attacco tubi freno: M10x1

Serbatoio Olio: non incluso

Olio consigliato: DOT4

Fully billet machined

Piston Diameter: 19 mm

Distance: 20 mm

Level: folding

Screws: stainless steel

Offset handlebar clamp

Brake hose screw pitch: M10x1

Oil tank: not included

Recommended braking fluid: DOT4

Especificaciones tecnicas :

mecanizado de solidos CNC

Diametro del piston: 19 mm

Distancia entre ejes: 20 mm

Tipo de maneta: abatible

Tornillos: acero galvanizado

Perno en U: desplazado

Tamano de conexion de la manguera de freno: M10x1

Tanque de aceite: no incluido

Aceite recomendado: DOT4

ALCOSSATO

PC014
